

David Marks is the Head of Public Affairs for Equinor Renewables US and leads all communications, state government relations, and stakeholder management for Equinor's US offshore wind energy business.

Previously, David was Director of Communication and Regulatory Affairs for Cirus Energy, and led communications, government, and regulatory affairs for the retail energy leader. In addition, he was Head of Communications and Policy for Drax, a UK energy utility and headed up government relations, public affairs, and communications in the U.S.

David has spent nearly two decades in the energy industry, a veteran of Capitol Hill, he served as an aide to Senator Jeff Bingaman, former Chairman of the U.S. Senate Energy and Natural Resources Committee.
